FACILITIES AND AMENITIES:

Dance Place San Diego's state of the art facilities includes eleven dance studios, men's and women's dressing rooms, lockers, showers and a beautiful green room, with a kitchen (includes microwave and refrigerator). The green room is a gorgeous place for the dancers to relax in between classes and enjoy their lunch.

Students will be placed according to their skill level, with roughly two groupings. Within this placement there are options for classes and repertory study. The workshop will conclude with a performance of the choreography learned in workshop repertory classes. The performance is Saturday, August 12, 2017. Workshop classes are Monday through Friday from 9 AM - 7 PM. There will be two 30 minute breaks in the middle of the day. Although there are nearby grocery stores and restaurants, we suggest that students plan to bring a lunch daily to best utilize their lunch break.
